Candidates for the Program Must:

- Have a diagnosis of ALS
- Reside in our coverage area
- Be registered with ALS United Illinois
- Have applied, or be in the application process, for coverage of equipment from their insurance, or have no insurance coverage for the requested item

All items are provided free-of-charge to individuals living with ALS.

To request a loan of equipment, a person must contact their Care Services Coordinator or call 312-932-0000.
